

It is time for the 18th annual Senior Health Fair – a community program presented by the Northeast Hospital Foundation and Memorial Hermann Northeast Hospital that provides a variety of screenings, flu shots and health-related information to address the special needs of our senior community. Historically, we have had 1,000 in attendance.

This year's event is scheduled for Tuesday, October 4 at the Humble Civic Center located at 8223 Will Clayton Parkway, from 8 a.m. to noon.

This is an excellent opportunity for you to not only showcase your organization or practice, but to also provide a community service for your community's senior citizens. To best meet our vendors' needs, we are offering various sponsorship levels for your consideration.
