This year marks the 12th anniversary of the Northeast Hospital Foundation's In the Pink of Health luncheon fundraising event and will be held Friday, October 18, 2019 at the Houston Airport Marriott at George Bush Intercontinental Airport. In the Pink has been the premier breast cancer luncheon in the Lake Houston area, allocating funds towards Project Mammogram, and other programs sponsored by the foundation. In 2018, Project Mammogram saw 330 qualifying patients and performed 183 screening mammograms, 136 diagnostic mammograms, 143 ultrasounds, 26 biopsies. From those screenings and services, 6 cancers were detected. The funds raised at In the Pink are reinvested into the community with 100% of the proceeds staying here.

The success of the raffle and bid board depends exclusively on generously donated items from businesses and individuals like YOU. Our raffle and bid board are very popular and raised almost \$25,000 at the 2018 event and we need your help to make the 12th annual event have the greatest impact on our community yet!

A raffle commitment form is attached; please complete and contact us by phone or email noted below. Commitments must be made by Friday, August 30, 2019. Raffle donation items are due no later than Friday, September 27, 2019. We are happy to schedule pick up of your donated items.

We thank you for your consideration and look forward to having your support in empowering our community as a donor to In the Pink 2019!

The Northeast Hospital Foundation is a 501(c)(3) non-profit organization. All donations are tax-deductible beyond the fair market value of the benefits. Please return via mail or email:
